

BROOKE HOUSE COLLEGE
ENGLAND

**The London Olympics 2012 and the
Brooke House College Summer School**

Statement

The London Olympics will start on 27th July and finish on 12th August 2012. Most of the Olympic venues are in and around London.

Brooke House College is in Market Harborough, which is far enough from London for our students not to be adversely affected by the increased business of the capital or the increased cost of flights to the capital's airports. Where possible, we advise that students avoid flying to London airports and instead book tickets in and out of Birmingham and East Midlands. We further advise that flights are booked nice and early to avoid higher-than-normal prices.

We are excited about the Games taking place "on our doorstep" during the Summer School. The Olympics will provide us with a unique additional excursion for London, where students will be able to visit the main Olympic Park venues and get a feel for the atmosphere of the London Games. We are in touch with a specialist travel company for the Olympics and discussing the possibility of arranging overnight visits to the Games, including tickets to sporting events, for Summer School students. As and when these arrangements are finalised, details will be posted on our website and sent to registered students. These trips will be offered as options to the Summer School students and provided at additional cost. If you would like to receive more information on our Olympics visits, please indicate your interest in the relevant section of the registration form.

We are looking forward to a very successful Summer School with the London Olympics in 2012!

Robert Price
Summer School Director
